PRESIDENT: The vote has been announced, Senator Bereuter. The motion fails. Senator Duis, for what purpose do you arise?

SENATOR DUIS: Mr. President, I believe with the result of this vote there will be no need to take up the remaining motion on 368A. As one who tried to equalize education and assist our good people in a better equalization of ... tax burden of equalization of taxes, please let me thank you for your assistance.

PRESIDENT: Take up the next matter Mr. Clerk.

CLERK: Mr. President, I move to override the Governor's veto on LB 610. Signed, Senator Simpson.

PRESIDENT: Chair recognizes Senator Simpson.

SENATOR SIMPSON: Mr. President, members of the Legislature. Out of the remaining bills that have been vetoed, the one that seems terribly important to me on some issues is the operational budget for the University of Nebraska at Lincoln, Omaha and the med school, plus the extension for the state colleges and the State Board of Education are the primary ones in that bill. I think that the cut in the University in the Chancelors funds, which has been very drastic will create a great problem in the instruction in all three of these institutions. With that I would ask that we would override the Governor's veto on LB 610.
